Re: 6439-6449 Yonge Street – Consent Application to re-establish a lot line

Powell Planning & Associates has been Retained on behalf of the landowner, Antonio DeMarco, to submit an application for a consent application to re-establish a lot line in accordance with Section 53 of the *Planning Act* for the lands located at 6439-6449 Yonge Street, Innisfil (the subject lands). Note that this is an addendum application to update current application B-017-2023 (Validation of Title Application) that was deferred at the July 20, 2023 Committee of Adjustment hearing. In discussions with the Town, we now submit a Technical Consent to re-establish the historical lots.

The landowner's father purchased the lands located at 6439 Yonge Street in 1957 and the lands located at 6449 Yonge Street in 1966. However, following the landowner's father's passing, the subject lands inadvertently merged on title in or around 2018 when they were in the landowner's mother's name. Historically there were two Roll Numbers assigned to the subject lands, Roll No. 002-25000-0000000, and Roll No. 002-24900-0000000 according to Town issued Tax documentation.

It is the desire of the landowner to have the two lots legally re-established and he is seeking the Committee of Adjustment's consideration and approval in this regard. The subject lands' uses remain as Residential Agricultural, whereas the Official Plan designates the original lot boundaries of 6449 as 'Rural', further establishing its historical existence.

We thank the Committee for their consideration of this request

Respectfully submitted,
