

Notice of Construction

Road Rehabilitation 9th Line and 10th Line

Dear Resident,

Tatham Engineering Limited was retained by the Town of Innisfil to complete the detail design and construction supervision of 9th Line from Yonge Street to 20th Sideroad and 10th Line from Yonge Street to 10th Sideroad. The Town of Innisfil has awarded the contract to Georgian Paving Ltd. for road rehabilitation and structural bridge repairs.

Construction Schedule and Working Hours

The Contractor is scheduled mobilize on September 6, 2022 and works are anticipated to be completed by November 30, 2022. Working hours are anticipated to be between 7:00 am to 7:00 pm. Some work on Saturdays may be required.

Public Road Access and Traffic Disruptions

Traffic disruptions may occur during construction. Driveway access to your residence or business will be maintained throughout construction, except for temporary disturbances during driveway culvert replacement and restoration, if required. Please refrain from parking your car on the road during construction hours. For temporary driveway disturbances, the Contractor will advise where to park. One lane of traffic will remain open at all times, or detours will be set up as required. Notices of any changes to the road closures or detours will be provided with as much notice as possible.

Additional Information

Due to the nature of construction, loud noise and dust may occur during daytime hours. We thank you in advance for your patience and cooperation. Should you have any questions or concerns related to this project, please contact the undersigned.
