

Introduction

Thank you for your interest in hosting a Fill the Fridges donation drive for the Troy Scott Community Fridges (TSCF). By hosting a food or fundraising drive, you are helping to increase awareness of community food security, the TSCFs, and how collaborative efforts can affect great change for our community. Visit www.innisfil.ca/CommunityFridges to learn more.

This guide will help you plan a successful donation drive for the TSCF.

Planning a Fill the Fridges Donation Drive

Here are some items to consider when planning a Fill the Fridges donation drive.

Why are you hosting a donation drive?

Whatever the reason, the Town is very grateful for your support. It's people and organizations like you that make Innisfil the best place to live. Here are some common reasons to host a donation drive for the TSCF:

- I/my organization wants to give back to the community.
- I/my organization wants to challenge others to see who can Fill the Fridges the most.
- It's my birthday/wedding/special event and I want to support the community instead of receiving gifts.

Who will help plan and execute the donation drive?

Think about who will help with your donation drive. Consider who will promote it on social media and in-person, who will collect and drop-off food donations, and other tasks you will need help with. Many hands make light work!

What are you collecting?

If you're encouraging food donations, please consider encouraging direct drop-off to one of the TSCF locations. This will make the drive easier for you to manage. Make sure to follow the TSCF Food Donation Guidelines at www.innisfil.ca/CommunityFridges.

If you're collecting food at a location other than a TSCF, please collect non-perishable food items (i.e., canned, and prepackaged food) and personal care items (e.g., shampoo, soap, toothpaste, feminine hygiene products). Plan for transporting the non-perishable food and personal care items to one or more of the TSCFs. The Town does not coordinate donation pick-up or drop-off.

If you're collecting financial donations, you can either direct people to <u>donate online</u> or collect cash and drop off the total funds collected at the Town's Customer Service Desk at 2101 Innisfil Beach Road. The Town of Innisfil can issue an official donation receipt to the individual or organization that made the donation. We cannot issue an official receipt in the name of anyone but the true donor. If you're collecting cash donations, please ask donors if they would like a receipt. If they do, collect their name, address, and donation amount, and submit this information to the Town with the donation.

Donors who are interested in donating pasteurized dairy, dairy products, or Grade A eggs must email communityfridge@innisfil.ca.

Who are you collecting donations from?

It could be groups like staff, customers, or special event guests. Targeting your efforts to a certain population helps messaging and likelihood of success.

What is your goal?

Setting goals or creating a challenge is a great way to encourage donations and build momentum – who doesn't love a little healthy competition?

When will you collect donations?

The TSCFs are always open and ready for donations. Consider filling the fridges during non-holiday times so they stay full all year long. Hosting a donation drive for two weeks is usually sufficient.

Promoting

Here are some suggestions for reaching your target donors and making your Fill the Fridges donation drive successful:

- Share the event with your customers/clients in your newsletter
- Share the event and updates to your employees via email
- Post updates on the progress of the event via social media
- Share photos of your progress

Fill the Fridges Donation Drive Media Kit

This <u>media kit</u> includes poster templates to print and post on your welcome desk(s) or elsewhere and hold up while taking and posting a selfie to your social accounts, and social media templates for you to quickly put together social media posts about your donation drive and thank donors.

Remember to tag @townofinnisfil so we can share your post and use #FeedInnisfil.

Praising

Remember to thank all your donors, supporters, and others for helping with the event and supporting their neighbours. A small thank you goes a long way.

Need more information?

Contact <u>communityfridge@innisfil.ca</u> if you have any questions.
